I have reviewed the Farmington Public Schools' "Athletic Activity Fee Program" and understand that the fee paid does not guarantee playing time, control over any conditions of the team or Department of Athletics. I also understand that paying the fee does not in any way alter the Farmington Public Schools Board of Education Student Policies, the District Student Athlete Code, individual team rules and/or the Michigan High School Athletic Association Regulations.

There will be no refunds of the participation fee unless the student athlete suffers a season ending injury prior to the mid-point of the season which precludes them from participating in one-half of the regularly scheduled contests. A physician's letter must accompany any such request. Request for refunds must be made to the Director of Athletics, before the mid-point of the season.

An athlete will not be allowed to participate, including practice, unless all signatures are affixed and the fee has been paid.

- \$300.00 per high school athlete for the 2011-2012 school year with a family cap of \$600.00 (combined middle and high school)
- \$150.00 per middle school athlete for the 2011-2012 school year with a family cap of \$600.00 (combined middle and high school)
- Pre-established fees for hockey, lacrosse, downhill skiing and bowling.

CHECKS SHOULD BE MADE PAYABLE TO FARMINGTON PUBLIC SCHOOLS
